Blue Service Project Form

Definition of a Spontaneous Project: Those service opportunities that suddenly arise and which are not of an on-going nature. This project must be a minimum of 1 hour. Service hours cannot be awarded for projects related to another class project, club, sport or fundraiser. Service hours are not awarded during school hours unless completed off school property.

A maximum of 40% of total service hours can come from Blue Project Service hours.

Service project hours are not performed for a family member. Any project completed for family should be done out of the love in your heart for your family, not to earn service hours.

Here's what to do when you complete a Blue Project Service Hour

Upon completion of the project, complete the service hour follow up form.

Please be timely in completing this writing. Service hours will not be completed until the Blue Project Service Form is turned in. This writing is to be turned in to Mrs. Lewis or Mrs. Prall.
