

Schlarman Corporate Sponsorship

Learning Today...Leading Tomorrow!

Catholic school graduates make good citizens, deeply committed to social justice, the care of the poor and the planet, proud volunteers in the church and in community. The widespread institution of service program requirements in Catholic schools over the last two decades has helped to create an entire generation of generous, socially minded alumni ready to help, no matter the need. Our diverse population with Hispanic, Asian and African-American students brings all our students closer together while sharing many cultural experiences. Catholic schools are not only about academics, but they nurture the family and spiritual side.
